### Homeopathy Therapeutics Frameworks & Protocols

*Jacques Boulet, MD - Antoine Demonceaux, MD - Fabienne Donner, MD - Yves Lévêque, MD*

Can homeopathic medicines be prescribed by all physicians? Which medicines? For what indications? What are the limits? Can homeopathy lead to therapeutic frameworks or protocols? What answers can homeopathy bring to the questions that arise in a physician's daily clinical practice? Can homeopathy be an answer to the new medical guidelines for healthcare management such as a lower consumption of antibiotics or anxiolytics? This book tries to answer all the above questions and would like, for all physicians wanting to discover homeopathy; to be the guide to their first prescriptions.

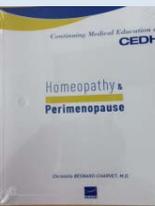

.C9Z **\$25.00**

### Homeopathic Therapeutic Frameworks & Protocols in Obstetrics and Gynecology

*Christelle Charvet, MD - Antoine Demonceaux, MD - Fabienne Donner, MD*

Gynecologist/Obstetrician specialists, midwives and of course family physicians are now, more than ever, turning towards homeopathy to find answers to questions daily encountered in their clinical practice. This book aims at bringing answers to all these questions. It is also a guide for physicians who want to integrate homeopathy in their Ob/Gyn practice in helping them write their first prescriptions.

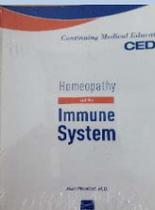

.C9Y **\$25.00**

### Homeopathy & Perimenopause

*Christelle Besnard-Charvet, MD*

"The theme of this book reflects a daily situation faced by gynecologists. It brings the answers to specific clinical situations, that are complete and highly relevant in our daily practice, since often allopathic treatment do not fully answer our patients' care needs or are ill advised in some clinical situations. Homeopathy is then very useful for these women. This book is aimed towards gynecologists, but it is also very relevant for all physicians and medical school students." Professor Michel Berland, Chief of Obstetrics/Gynecology Hospital of Lyon Sud, France.

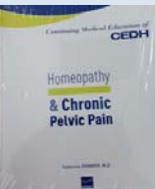

.M78 **\$30.80**

### Homeopathy and the Immune System

*Jean Mouillet, MD - ENT Physician and Allergy specialist*

Allergies and inflammation are the core of our daily clinical concerns. With this dense and precise book, Jean Mouillet offers a clear and concise CME on a constantly evolving topic, but he also invites us to reflect on our homeopathic notion of terrain its richness and shortfalls. Furthermore, he warns us about being tempted to standardize our clinical practice and reminds us of our dream as homeopaths to always consider medicine as an Art.

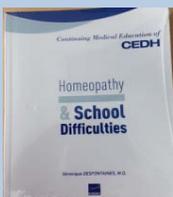

.D9R **\$30.80**

### Homeopathy & Chronic Pelvic Pain

*Fabienne Donner, MD*

"Fabienne Donner brings a clear and concise overview of this complex disorder, chronic pelvic pain, essential for our Continuous Medical Training. She also gives us the keys to a practical knowledge that will enable each one of us, general practitioner or specialist, to enrich our practice with precise and efficient homeopathic therapeutics to provide a better care for our patients affected by this pathology." Jacques Boulet, MD, Directeur du CEDH

.D9J **\$30.80**

### Homeopathy & School Difficulties

*Véronique Desfontaines, MD*

"The themes of this book brought up by Véronique Desfontaines will appeal to pediatricians and general practitioners alike because the core of each observation, regardless of the reason for consulting, is to understand each child through his or her difficulties, successes, general behaviour and individual sensitivity. Sharing the clinical experience of Véronique Desfontaines will expand our knowledge with pediatric Nosology and homeopathic Materia Medica and define the robe of homeopathy among other therapeutics." Jacques Boulet, MD, Directeur du CEDH

.C63 **\$20.00**

### Homeopathic Therapeutics: Possibilities in Chronic Pathology

*Jouanny - Crapanne - Dancer - Masson*

"This book offers generous prescribing guidelines for chronic conditions that can be accessible to homeopathic medicine, including women's health problems, dermatoses, and behavioral problems. Homeopathic therapeutics is an excellent guidebook for the debutante practitioner and a useful addition to the responsible prescriber's desktop." Joseph M. Helms MD

.C67 **\$30.00**

### Homeopathic Therapeutics: Possibilities in Acute Pathology

*Jouanny - Crapanne - Dancer - Masson*

"Homeopathic Therapeutics provides readers with an introduction to the clinical application of homeopathic medicine in acute diseases giving us what we all want: effective tools to relieve the suffering of our patients"  
Michael Carlston, MD - Assistant Clinic Professor School of Medicine, University of California - San Francisco

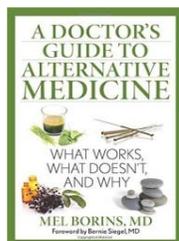

.B9B **\$41.19**

### Materia Medica Therapeutic Sheets

*Jacques Boulet, MD - Jean-Pierre Loupias, MD*

The presentation of these 257 Materia Medica Therapeutic Sheets gives easy access to the clinical indications in light of the key elements validation the choice of the medicine.

;B52 **\$20.00**

### A Doctor's Guide to Alternative Medicine

*Mel Borins, MD*

What works, what doesn't and why? With so much misinformation about complementary and alternative medicine, how does anyone know which advice to follow and what actually works?

"Although conventional medicine is superb to most acute problems, most chronic situations do far better with an alternative, holistic approach. Here at last Dr. Mel Borins presents an option to the Merck Manual, with many great alternative, holistic suggestions for enhancing your health"

C. Norman Shealy, MD, PhD, President of Holos Energy Medicine Education and founder of the American Holistic Medical Association
